CAUTION TO DEBTORS.

FROM information received since the death of my late partner, C. G. Graham, I believe there are numerous outstanding debts due to the late firm, for which notes were given payable to "C. G. The Great Premium Jack,

TUSCARORA!

(Formerly the Property of J. H. Sheffer.)

WILL make the present season at my farm, five miles from Lexington, on the Winchester and Lexington Turnpike, adjoining the farm of Dr. Nicholas Warfield, and will serve Jennets at THIRTY DOLLARS the season, the money to be paid when the Jennet is removed, or FIFTY DOLLARS if the insurance, to be paid when the Jennet is known to be in foal or parted with. Jennets bred by the insurance and losing their foal, may be bred back next year free of charge, grain and grass excepted. Grass will be furnished two months free of charge, and after that time \$15 per month will be charged. And they will be grain fed if desired, on the usual terms. I have two hundred and seventy-five acres of as fine grass as is to be found in Kentucky, and convenient lots to feed and foal in, and every care will be taken of Jennets, and their colts, sent to this Jack, but no responsibility for accidents and escapes should the owner. The season has commenced, and will expire the 1st of December.

TUSCARORA is so well known as a Jack of unsurpassed merit, that I deem a lengthy description of him unnecessary. It is confidently believed that he is the best aged Jack in Kentucky, and this has been fully tested in the different rings of the Agricultural Fairs of the State before the best judges. He has taken premiums at all the Fairs, viz: at Lexington, Paris, Winchester, the State Fair, and has from a colt up been beaten but twice. His blood, size, form, and appearance, eminently place him at the head of all animals of his class in the United States.

Description and Pedigree.

TUSCARORA was 3 years old the 20th of June last, is 19 hands high, a beautiful black; mealy nose, is in fine health, with more smooth, good action than any large Jack I have ever seen.

He was sired by Mammoth Warrior, (the Rob Smith Jack), Mammoth Warrior was by Young & Everitt's imported Mammoth, and out of a War-jenny, (Tuscarora's dam, Isabella, was by Tippencore, gr. dm by Moloch, (a Jack purchased in New York by Samuel Shannon, Esq., and brought to Kentucky, a descendant of the Royal Gift; gr. dm by Achilles, he imported by the Hon. Henry Clay. ISAAC O. ROBINSON.

The Premium Jack,

SHAKSPEARE,

WILL MAKE THE PRESENT SEASON at the stables of Mrs. E. Nash, 4 miles south of Versailles, on the turnpike to Madison's Ferry, 6 miles from said ferry, at THIRTY DOLLARS to insure a colt. Persons wishing a conditional insurance for Jack or Jennet colt, can, by the addition of \$10 in the former or the deduction of \$5 in the latter, be accommodated. Persons not stipulating the terms at the time of sending their Jennets, will be charged the insurance price. Jennets losing their colts before foaling time, can be bred next season free of charge. Jennets will be pastured gratis, or grain fed on reasonable terms.

He has proven himself a sure foal getter, and his colts are not surpassed by any Jack's colts in the country. He has formerly stood at \$40, but owing to the hard times is reduced thus low.

Description and Pedigree.

SHAKSPEARE will be 3 years old next

THE COMMONWEALTH.

KENTUCKY LEGISLATURE.

IN SENATE.

Friday, March 29, 1861.

The Senate was opened with prayer by Rev. W. McD. Abbott, of the Methodist church.

The Journal of yesterday was read by the clerk.

A MESSAGE FROM THE H. R.

Was received by Mr. McClary, the clerk, announcing the passage of several Senate bills by that House, with amendments, and that the H. R. had passed a number of bills which originated in that House, in which they ask the concurrence of the Senate.

RESOLUTION.

Under a suspension of the rules, Mr. CHAMBERS offered the following resolution:

Resolved by the Senate, That during the remainder of this session (except upon the resolutions regarding the free navigation of the Mississippi, upon which the Senator from McCracken has the floor), no Senator shall be allowed to speak longer than ten minutes at any one time, or oftener than once upon any one measure until all other Senators desiring to speak have been heard.

Mr. PRALL moved to amend by adding after the word "floor" the words, "and the report of the committee on Federal Relations."

Mr. GROVER moved the previous question, which was ordered, by yeas 26, nays 9. The amendment of Mr. PRALL was then rejected, by yeas 15, nays 19.

Before the vote on the resolution the hour arrived for the

SPECIAL ORDER FOR 3 O'CLOCK.

A bill to amend the charters of the banks of issue in the State of Kentucky, was taken up.

Mr. ANDREWS moved to lay the bill on the table; negative, by yeas 11, nays 25.

Mr. JOHNSON briefly explained and advocated the bill.

Mr. FISK offered several verbal amendments, which were adopted.

Mr. PRALL moved to amend by striking out the 10th section of the bill. [The section allows the banks for three years to issue bills of less denomination than \$5.]

Mr. PRALL advocated his motion briefly.

Mr. FISK advocated the bill. He would vote for it with this provision to issue small bills, as it was limited to three years.

He explained his action on the bill heretofore vetoed by the Governor. He voted to overrule the veto, but when the vote failed to pass the bill for want of a constitutional majority, and it was reconsidered, he then, believing as he did, that the SPEAKER'S decision was correct, "that the vote to pass the bill over the veto was itself a reconsideration," according to the best parliamentary authorities, and no other vote could be taken upon it, he voted against the bill. He defended himself briefly from the charge of some newspaper reporter, that "he had changed his vote to be right on the record."

Mr. MARSHALL opposed the bill. He did not think it would prove a relief measure. He thought the bill unconstitutional. He opposed the bill at some considerable length.

Mr. RUST briefly opposed the amendment of Mr. PRALL. He was opposed to small notes, but as this privilege was limited to three years, he thought it a good relief measure to be incorporated in the bill now.

The vote was then taken on striking out the 10th section; and it was decided in the negative by yeas 9, nays 25.

Mr. WHITAKER offered an amendment to the 4th section, dividing the amount of loans pro rata among the banks according to capital; adopted.

Mr. RHEA offered a verbal amendment to the 7th section; adopted.

Mr. RUST offered an amendment as an additional section, [allowing the banks to accept all, or any of the provisions of the bill]; rejected by yeas 7, nays 25.

Mr. WALKER moved to amend by striking out the 7th section of the bill.

Mr. ANDREWS moved the previous question; ordered.

The vote was then taken on striking out the 7th section; and it was decided in the negative by yeas 7, nays 29.

The third reading was dispensed with, and the bill was passed by yeas 19, nays 17.

The bill as passed is as follows:

An act to amend the charters of the Banks of issue in the State of Kentucky.

§ 1. Be it enacted by the General Assembly of the Commonwealth of Kentucky, That it shall and may be lawful for the banks of issue in the State of Kentucky, on the 15th day of April, 1861, to re-issue, in bank notes of denominations not less than one nor more than fifty dollars, the sum of two millions of dollars, redeemable in gold or silver at the expiration of two years from and after the date of such re-issue; the amount aforesaid to be issued by the following named banks, in proportion to the capital stock actually taken and paid in, viz: The Commercial Bank, the Southern Bank, the People's Bank, the Bank of Louisville, the Bank of Kentucky, the Farmers Bank, the Northern Bank, and the Bank of Ashland.

§ 2. That the re-issue aforesaid shall be duly made known and designated by writing or stamping on the face of each bank note re-issued, this, the 15th day of April, 1861, and countersigned by the cashier of such bank.

§ 3. That it shall be the duty of the aforesaid banks, within three months after the 15th day of April, 1861, to loan to the citizens of each of the ten Congressional districts, upon new accommodations, in sums of not more than one thousand dollars to each individual applicant, to be paid in calls of not more than ten per cent upon the original amount loaned for the first two, one hundred and twenty days said loan shall run, and not more than twenty per cent may afterwards run, an amount not less than two hundred thousand dollars to each of the Congressional districts in the State of Kentucky; Provided, That if there should not be suitable and satisfactory applications for the amount to which any district may be entitled before the 15th day of July next, then the said banks may lend in larger sums than one thousand dollars; And provided further, That if said banks fail to make the loans herein provided for, within the time stated, for the want of proper and satisfactory applications therefor, then the said banks shall have the benefits of the provisions of this act in case they shall make the loans aforesaid to the amount named in the year 1861; Provided, That if any of the persons fail to renew at the time aforesaid, the banks aforesaid shall have the right to enforce the payment of all that such persons may owe such banks.

§ 4. It shall be the duty of the Commercial Bank, and the Bank of Ashland, to make said loans in districts 1 and 2; and the Southern Bank and People's Bank to make said loans in districts 2 and 3, to be distributed between the Commercial Bank,

and Bank of Ashland, and Southern Bank, and People's Bank, pro rata, according to the amount of their capital paid in; the Bank of Kentucky and Bank of Louisville to make said loans in 4, 5, and 7; the Farmers Bank and Northern Bank to make said loans in districts 6, 8 and 10.

§ 5. It shall be the duty of said banks, in making the loans herein provided for, to divide the sum going to each district among the several counties composing such district, in proportion to the number of voters in each county respectively, as near as may be; Provided, That if there be not good and satisfactory applications from any county for the full amount for which such county is entitled within ninety days from the 15th April, 1861, then said banks may lend the remainder of the share of such county to citizens of other counties in the same district.

§ 6. That the re-issue provided for in this act, when made conformable thereto, shall be taken and received in payment and discharge of all dues and demands to the State of Kentucky, and all debts now owing to, or debts hereafter made payable to, said banks, and shall be taken on deposit by the banks accepting this act; Provided, That the banks shall not be required to pay any other kind of funds than those deposited.

§ 7. That it shall be optional with the banks herein mentioned in lieu of making the re-issue, ns provided for in sections one and two of this act, to increase their circulation two million of dollars, in accordance with the terms and provisions of sections three, four, and five of this act; and if they shall so elect shall increase their circulation, it shall be lawful for said banks to require all holders of their notes presenting the same for redemption to deposit the same, on a certificate of the cashier of such bank, thirty days before gold and silver shall be demanded in payment thereon. The circulation of two millions herein mentioned must be in addition to the circulation said banks had out on the first day of January, 1861.

§ 8. That the acceptance of the provisions of the seventh section of this act by the banks aforesaid, shall operate as a repeal of that portion of sections one and two of this act, which provides for the re-issue of notes to the amount of two million of dollars, redeemable at the expiration of two years.

§ 9. That it shall be the duty of the President and Directors of the banks aforesaid to make known to the Governor of this State, within thirty days from the date of this act, their acceptance of its provisions.

§ 10. That the Northern Bank of Kentucky, Bank of Kentucky, Bank of Louisville, Bank of Ashland, and Southern Bank, be, and they are hereby allowed to issue notes of not less denomination than one dollar, anything in the acts restricting said banks to the contrary notwithstanding; but this section shall not be in force for a longer period than three years, nor unless the loans contemplated herein are made.

§ 11. This act to be in force from its passage.

A MESSAGE FROM THE H. R.

Was received by Mr. MACHEN, announcing the passage of a bill to suspend the spring and summer terms of the courts in this Commonwealth, in which they ask the concurrence of the Senate.

BORDER SLAVE STATE CONVENTION.

The Senate took up the majority and minority reports of the committee on Federal Relations—being two bills providing for a Border Slave State Convention.

[These bills have been heretofore published in our report of Senate proceedings.]

[The principal difference in the bills is in the time of the election of delegates, and the mode of election. The majority bill provides for the election, 1st Monday in August as the time for election, and the delegates to be elected by Congressional districts. The minority bill fixes on Frankfort as the place, 1st Saturday in May for the election, and general ticket the mode of the election.]

Mr. CISELL offered an amendment to the minority report. [It proposes to strike out all after the enacting clause of the bill, and insert a provision for an election of 10 delegates, by Congressional districts, to be elected on the 1st Monday in June.]

The vote was then taken on the adoption of Mr. CISELL'S amendment, and it was rejected by the following vote, viz:

Yeas—Mr. Spenser (Porter), Messrs. Anthony, Chambers, Cissell, Darnaby, Davidson, Gibson, Glenn, Grover, Grundy, Irvan, Johnson, McBrayer, Rust—14.

Nays—Messrs. Alexander, Andrews, Barick, Bruner, Cosby, Dehaven, Denny, Fisk, Gillis, Hayercraft, Jenkins, Marshall, Penne baker, Prall, Read, Rhea, Rousseau, Simpson, Taylor, Wait, Walker, Walton, Whitaker—23.

Mr. SIMPSON offered an amendment to the bill offered by the minority of the committee, fixing the time of the meeting of the convention on May 27th, or such other time as may be agreed on; adopted.

Mr. PRALL offered an amendment to the bill reported by the minority. [To elect 10 delegates by districts, and 2 by the State at large.]

The SPEAKER decided the amendment out of order, the provision being in the original bill.

Mr. IRVAN offered an amendment to change the time of election in the bill of the minority of the committee, to 1st Monday in August; rejected by yeas 15, nays 22.

Mr. SIMPSON moved the previous question; negative by yeas 18, nays 19.

Mr. CISELL offered an amendment to fix Louisville as the place; rejected by yeas 10, nays 27.

Mr. ROUSSEAU offered an amendment providing for the convention to meet in Louisville or Frankfort as a majority of the convention of said several States may determine.

Mr. HAYCRAFT moved the previous question; ordered by yeas 22, nays 15.

The amendment of Mr. ROUSSEAU was then rejected by yeas 18, nays 19.

Mr. RHEA moved to postpone the bill for half an hour; the SPEAKER decided the motion out of order, the previous question having been moved and sustained.

Mr. RHEA then moved an adjournment; the SPEAKER decided it out of order for the same reason.

The question was then taken upon adopting the bill of the minority in place of the bill of the majority of the committee, and it was decided in the affirmative by yeas 21, nays 16.

The bill was then ordered to a third reading; the reading was dispensed with, and the bill passed by the following vote:

Yeas—Mr. Speaker (Porter), Messrs. Alexander, Anthony, Andrews, Barick, Bruner, Chambers, Cissell, Cosby, Darnaby, Davidson, Dehaven, Denny, Fisk, Gibson, Gillis, Glenn, Grover, Grundy, Hayercraft, Irvan, Jenkins, Johnson, Marshall, McBrayer, Pennebaker, Prall, Read, Rhea, Rousseau, Rust, Simpson, Taylor, Wait, Walker, Walton, Whitaker—37.

Nays—0.

[The bill provides for election of 12 delegates by general ticket on 1st Saturday in

May, and the convention to be held in Frankfort, May 27th, 1861.]

REPORT OF COMMITTEE ON FEDERAL RELATIONS.

The House then took up the majority and minority reports of the committee on Federal Relations.

The majority report reads as follows:

WHEREAS, The following amendment to the Constitution of the United States has been proposed by Congress to the Legislatures of the several States for their ratification, viz: "No amendment shall be made to the Constitution, which will authorize or give Congress power to abolish or interfere, with in any State, with the domestic institutions thereof, including that of persons held to labor or service by the laws of said State."

And whereas, said proposed amendment, although it fails to secure to the slave States all the rights to which they are justly entitled, and therefore cannot be received or treated by them as an adjustment of existing difficulties, does remove one cause of apprehended danger, and evinces a disposition on the part of the people of the North to make some advances towards a reconciliation with their southern brethren, and may, and it is hoped will, lead, in a spirit of concession and compromise, to its final consummation; therefore,

1. Resolved by the General Assembly of the Commonwealth of Kentucky, That the aforesaid proposed amendment to the Constitution of the United States be, and the same is hereby, ratified by this Legislature.

2. Resolved, That the Governor of this State be, and he is hereby, directed to forward a copy of these resolutions, and the preamble thereto, to the President of the United States, with a request that he will communicate the same to Congress when it next convenes.

WHEREAS, A resolution has been offered in the convention of the State of Virginia, and will probably be adopted, proposing a convention of the slave States which have not passed ordinances of secession, at this Capitol, on the 27th of May next, to consult on the critical condition of the country, and agree upon some plan of peaceable adjustment; and whereas, the States of Missouri and Arkansas have appointed delegates to such contemplated convention; therefore,

1. Resolved by the General Assembly of the Commonwealth of Kentucky, That we invite the States of Delaware, Maryland, Virginia, North Carolina, Tennessee, Missouri, Arkansas, to meet Kentucky at Frankfort, on the 27th day of May next, or such other time as may be agreed on by a majority of the delegates appointed by Kentucky for the purpose aforesaid indicated.

2. Resolved, That the Governor be requested to communicate immediately copies of the foregoing preamble and resolution to the Governors of the States above named.

An act to provide for the election of delegates to a convention, to be held in Frankfort.

§ 1. Be it enacted by the General Assembly of the Commonwealth of Kentucky, That an election shall be held on the first Saturday in May next, at all the election precincts in this State, to elect twelve delegates to a convention of the border slave States, and such other slave States as have not passed ordinances of secession, to meet at Frankfort, Ky.; and said delegates shall be voted for and elected by the State at large, in the same manner that State officers are now elected; and the same laws which apply to and regulate the mode of the election of State officers, shall apply to and govern the election of said delegates.

§ 2. That the persons who may be thus elected, shall be commissioned by the Governor, and empowered to meet the delegates from the States aforesaid in convention, to consult on the critical condition of the country, and agree upon some plan of peaceable adjustment.

§ 3. The convention shall be held on the 27th of May next, or at such other time as a majority of the delegates elected in this

State may appoint, to suit the convenience of the delegates from the other States.

§ 4. That this act shall take effect from its passage.

J. A. FINN,

R. WOLFE,

R. A. BUCKNER,

R. T. JACOB,

JAS. B. LYNE,

C. F. BURNAM.

The report of the minority reads as follows:

The undersigned, members of the committee on Federal Relations, not concurring in the views of the majority of the committee, recommend the adoption of the amendment to the Constitution of the United States, proposed by Congress at its last session for ratification by the respective States of the Union, with the distinct declaration, however, that Kentucky cannot accept it as a final settlement of existing difficulties. They recommend in addition, the adoption of the following resolutions:

Resolved by the General Assembly of the Commonwealth of Kentucky, That it is the deliberate conviction of the people of Kentucky, that the Federal Government should immediately withdraw the Federal troops from the forts, arsenals, and garrisons now held by them in the States which have seceded from the Union, and should avoid, by all honorable means, every cause of collision with the Governments which are "de facto" in power in those States, and should endeavor to cultivate amicable and friendly relations with them.

Resolved, That the people of the States of Missouri, Tennessee, Arkansas, Virginia, North Carolina, Maryland, and Delaware are invited to send commissioners to a convention to be held in the city of Frankfort, Kentucky, at or about the time of the first day of June, 1861, for the purpose of presenting to the northern States such amendments to the Constitution of the United States as will, in the estimation of the slave States, sufficiently and fully guard and protect their interests.

We further recommend the passage of the following act:

§ 1. Be it enacted by the General Assembly of the Commonwealth of Kentucky: That an election for delegates to a convention to assemble in Frankfort, Ky., shall be held in the respective congressional districts of this Commonwealth, on the first Saturday in May, in like manner as other elections are by law held in this Commonwealth, and under the inspection of the same officers, at which one delegate shall be voted for in each district, by the qualified voters thereof; and the person having the highest number of votes, in each congressional district, shall be commissioned by the Governor of this Commonwealth as a delegate to said convention.

§ 2. The delegates to said convention, duly elected and commissioned, shall receive the same mileage and per diem during the sessions of said convention, as is now provided by law for members of the General Assembly, and shall be entitled to draw and receive their compensation in the same manner.

GEORGE B. HODGE, Chairman.

JOHN M. RICE,

W. B. MACHEN,

J. G. CARLISLE,

A. F. GOWDY.

Mr. MACHEN moved a call of the roll; adopted.

Mr. GOODLOE moved the previous question on first preamble and resolutions offered by the majority of the committee; adopted—yeas 48, nays 45.

Mr. MACHEN moved that the vote be taken separately between the preamble and resolutions.

The first resolution offered by the majority of the committee was then adopted—yeas 95, nays 1.

The second resolution was then adopted—yeas 92, nays 1.

Mr. HODGE moved to strike out the first preamble, and supported his motion at some length, but during his remarks the hour of 2 o'clock arrived, when the SPEAKER announced that the hour had arrived for an adjournment.

And then the House adjourned.

SINGULAR CASE.—The Fort Wayne (Ind.) Times relates a curious story of an insane German woman, named Rabus, who some years since jumped from the third story of the Insane Hospital, at Indianapolis, and who, after a long search, was given up for dead. About two years after the supposed death of his insane wife, Rabus married again, but a few nights ago the first wife entered his residence. She was accompanied by a young child which had been born after she became insane, and after she escaped from the asylum. Of her wanderings she had but an indistinct recollection. She remembered having waded through swamps and woods until she came to a steamboat upon which she got, and finally found herself in Buffalo, where a physician took charge of her and succeeded in curing her. What the upshot of the present state of affairs will be, it is difficult to surmise.

THE COMMONWEALTH.
FRANKFORT.
J. H. JOHNSON, Editor.
SATURDAY, MARCH 30, 1861.
EIGHTH CONGRESSIONAL DISTRICT.
For Congress:
JOHN J. CRITTENDEN.
CONVENTION.

Southern Rights in the Union—Not out of the Union!

All the citizens of Franklin county who are in favor of maintaining their rights in the Union, instead of searching for them out of the Union, and who are opposed to coercion and civil war, are respectfully requested to meet in Convention at the court house in Frankfort, on next Saturday, March 30, 1861, at 2 o'clock, P. M., to consult together as to the proper course for Kentucky to pursue under the circumstances that now surround her.

BORDER STATE CONVENTION.—It will be seen by reference to our Senate report, that that body passed a bill providing for the election of delegates to a Border State Convention to meet in this city on the 27th of May.

Declination.
MR. EDITOR: The following appeared in your paper of the 28th instant:
EDITOR COMMONWEALTH: If Capt. Dan. W. Lindsey will consent to become a candidate for Presiding Judge of the Franklin County Court, he will receive the support of

MANY VOTERS.
FRANKLIN COUNTY, March 28, 1861.
This, I suppose, was intended as a call upon me to become a candidate for the office of Presiding Judge of Franklin county. I fully appreciate the compliment of the call, but am so circumstanced as to be compelled to decline becoming a candidate, which I do with many thanks to those desiring me to make the race.
D. W. LINDSEY.

Convention To-day.
Let every citizen of Franklin county who wishes to preserve his rights in the Union, and is not willing to lose them all by destroying the Union, meet in Convention at the court house, at 2 o'clock this evening, at the ringing of the bell, for the purpose of consulting together.

Every citizen in the State should be thoroughly organized at once, and the issue of union or disunion plainly and honestly presented to the people—all masks should at once be thrown off, and the friends of States Rights and the Union arranged on one side under the glorious old stars and stripes, and the few discontented persons who oppose them should be compelled to rally under the black flag of disunion at once. This will be the only issue in the approaching election, and disunionists cannot escape or ignore it. We feel confident that Kentucky will meet the issue and vindicate her name and fame from all reproach.

Excessive Politeness.
The Louisville City Council has tendered to the Convention which meets here in May the use of their city court house. Now we don't know what use the proposed Convention could make of the Louisville city court house. We don't suppose any of the delegates will be put on trial for misdemeanors. The Convention will probably be in the nature of a deliberative body, and therefore the celebrated "east room" of the Louisville court house—where political parties meet and fight—would not do, because the Convention will in all probability be seated.

However, as it is a very nice little court house, and the politeness was well meant, we feel authorized to say to the city council aforesaid—"Send it along." You might probably rent it to an itinerant daguerrotypist. That "east room" would do for that very well.

The politeness of the Louisville City Council is undeniable. We wish we could say the same for its modesty. But considering that the Virginia Convention fixed upon Frankfort as the place for holding the Convention, we are bound to say that the action of the L. C. C. was officious as well as official.

We notice that the Louisville papers are trying to create the impression that Frankfort can not accommodate the Convention which will meet here in May. When we say that this attempt on the part of the Louisville press is mean, we refer to its most meritorious attribute. In the first place the Convention will not be large. There will not probably be more delegates than there are members of the present Legislature. In the next place Frankfort has the amplest accommodations for the largest bodies of men. She has three large hotels, constructed with a view of accommodating conventions, and the large number of people always in attendance upon the Legislature. Moreover, every house in Frankfort is open to a stranger. No one ever went away from here hungry, thirsty or sleepy, unless through his own fault. Louisville newspapers! you ought to be ashamed of yourselves. You have Pargny and the Artesian Well. Gorge yourselves at Pargny's, wash yourselves at the well, and be content.

Small-Pox in Franklin, Ky.—A few days ago we republished an extract from a Nashville paper which set forth that many cases of small-pox had occurred in Franklin, Ky. We are gratified to learn, as we do by letter from many citizens of Franklin, that the report was utterly unfounded, our Nashville contemporary having been misinformed

Secession—Public Robbery.
Webster's definition of seceding is, "withdrawing from fellowship or communion." The practical meaning of the word is to rob and plunder, as will be seen from the following extract from a Texas paper:
The government property at San Antonio and other posts in this State was formally delivered over to the committee of Public Safety of the State Convention, by Gen. Twiggs, on the 18th (the day of the inauguration of Jefferson Davis, as President of the Provisional Government), after several days of negotiation. The San Antonio Herald gives the list of the property surrendered, which will be quite a good start towards a warmanent of our State:
1800 mules, valued at \$5 each, \$ 90,000
500 wagons 140 70,000
950 horses 120 117,000
500 harness 50 25,000
Tools, wagon material, iron, nails, horse and mule shoes 250,000
Corn (at this post) 7,000
Clothing 150,000
Commissary stores 75,000
Ordinance stores 400,000
Total \$1,229,500
The U. S. troops are to leave the State by way of the Gulf Coast, taking with them the arms of their respective corps, including the batteries of light artillery at Fort Duncan and Fort Brown.

The government of the United States, at an annual expense of several million dollars, were protecting the inhabitants of that State from the aggressions of the hostile Indians and the guerilla and robbing parties of Mexico. The army, which consisted of about three thousand troops, were placed under the command of General Twiggs, who treacherously surrendered the whole of the public property in his possession and under his control to a committee of Public Safety. What should be his fate? Gen. Hull surrendered his army and the public property in his possession to the British in August, 1812, for which he was tried by a court martial at Utica, New York, found guilty, and sentenced to be shot, but on account of the services rendered by him in the war of the revolution he was pardoned by President Madison.

SELF-INVOKED INDIGNATION.—The Harrisburg Telegraph says the following extract of a speech of Ex-President Tyler, delivered in the Virginia House of Delegates, a number of years ago, sounds strangely, now that the same man, his head whitened for the ingathering crop of eternity, is spending his declining years in trying to break up the Union he then so eulogized:
"Sir—I have looked into the distant future, and have there beheld the greatness of free America. I have beheld her walking upon the face of the mighty deep, and carrying glad tidings of great joy unto distant nations. I have seen her stretching her arms over the whole earth, and overturning the strongholds of despotism in the old world. We betide the man who shall endeavor to sow the seeds of disunion and anarchy among us. Better for him he had never been born. If he called upon mountains to hide him—nay, if he bury himself in the very centre of the earth—the indignation of man shall find him out, and blast him with its lightning."

Wonderful Announcements.
A correspondent of the Philadelphia Press has compiled a leisure moment by preparing a number of Latin anagrams on the words "United States." We give a few of them, with such annotations as seem to be required for a satisfactory explanation:
In te Deus stas—God stand in thee.
Inde tute stas—Hence thou standest safely.
Desiste nutat—Hands off, it shakes. (The Union.)
Dentatus iste—He has teeth—(i. e. Uncle Sam has.)
Nudat te selis—It (disunion) strips thee of bristles. (Q. y. hogs?)
A te desunt—They keep off from thee.
Siste, dudate—Stop, he strips thee. (Referring to Floyd.)
Et ista desunt—Those things are also wanting. (The Indian Bonds.)

CITIZEN OF CINCINNATI SHOT BY A BURGLAR.—Three burglars entered the residence of Mr. Perry Moore in Cincinnati on Tuesday night. Their presence in Mr. Moore's bed room roused him, when he was fired upon, receiving a shot which it is thought will prove fatal. John Leary, Peter Brophy, John McCarthy, Theodore Bonner, Silas Bonner, Simon Robb, and John Snow, noted villains, have been arrested in connection with the affair.

MATTERS AT FORT SUMTER.—The Charleston Mercury of Monday says: "On Saturday, the furniture of Captain Foster was, by permission, removed from Fort Moultrie to Fort Sumter. The activity of Major Anderson's garrison continues unabated. The openings in the face of the south wall are being closed up with stone blocks, and as cement happens to be scarce, the joints are formed of molten lead. Other changes, useful and ornamental, are in progress."

MISSISSIPPI.—We have just received a letter from a post master in Mississippi, who writes under date of the 25th inst.:
A doctor, who knows, said to me a few days since, that the people were complaining that all they wanted was a backer to go back. The seceders have been organized, and you know that three men can whip five hundred, by taking one at a time.

MOVEMENTS IN FLORIDA.—By private despatches from Tallahassee, the Charleston Mercury learns that Gov. Perry is concentrating troops at Pensacola with the utmost activity.

It is reported that orders have been sent to retain a portion of the Federal troops in Texas, to co-operate with Gov. Houston in sustaining his authority.

Mr. B. Spalding is a candidate to represent Marion county in the Kentucky Senate, subject to the decision of a Convention of the friends of the Union.

The extra session of the United States Senate adjourned sine die on Thursday.

Not Satisfied.
But a few days ago, the people of Virginia expressed their opinion on the present crisis, by a vote which was decided against rash or "precipitated" secession, and in favor of "restoring the Union, if possible, with the just rights of the South secured." We should think, as does our contemporary of the Alexandria Gazette, that those who really pay deference and respect to the "voice of the State," would be content to receive the verdict rendered, and wait for the action of the Convention. But we find the "Immediate Secessionists," in several quarters, persistent, through their writings, and speeches, and in other ways, in still urging "immediate secession," as the panacea for all the evils we suffer—and we observe that the Convention is, in the same quarters, evidently not regarded with any favor. Its "complexion" is not considered "very flattering to southern pride." In other words, it is likely that wisdom, judgment, common sense, and patriotism will prevail in the Convention—and so believing and thinking, we will have trust and confidence in it, and hope for the best results from its deliberations.—Richmond Whig.

A BALD HEADED CONGRESS.—The editor of the Atlanta Intelligencer, in a letter from Montgomery, thus proves that the members of the Southern Congress are not the hair-brained fellows that some people suppose. As to the personal appearance of the Congress, we hope to be pardoned for saying that a large number of them are bald headed. This is an indication of talent. It will probably be considered, by some, as in bad taste for the writer of this article to speak in complimentary terms of bald headed men, as he is slightly afflicted in that way himself. But with the exception of Howell Cobb, Robert Toombs, and a few others whom we could name, you will seldom find a man of much sense who is not deficient as to his capillary qualifications.

The Corpus Christi Ranchero says, a Mexican stabbed a senorita in that city recently, because, as he alleged, she had attempted to poison him. In order to avoid the useless expense in keeping him in jail, he was turned loose after having his head shaved.

ELUTION OF CITY OFFICIALS.—In joint session last evening the two boards of the General Council elected A. M. Stout, Esq., Assistant City Attorney, and Dr. George Siskley, City Engineer for the ensuing year—two excellent appointments.—Low Journal, 29th.

We would call the attention of those suffering from Consumption, Bronchitis, &c., to an advertisement in another column of this paper, of an important discovery for the cure of those diseases, now introduced for the first time to the American public by Messrs. Leeds, Gilmore & Co., of New York. mar15-1m

AN IMPORTANT DISCOVERY!
For the cure of
CONSUMPTION, BRONCHITIS, COUGHS AND COLDS.

THE MAKORA ARABICA,
DISCOVERED BY A
MISSIONARY WHILE TRAVELING IN ARABIA.
All who are suffering from Consumption should use the MAKORA ARABICA, discovered by a missionary while traveling in Arabia.
All who are threatened with Consumption should use the MAKORA ARABICA, discovered by a missionary while traveling in Arabia.
All who are suffering from Bronchitis should use the MAKORA ARABICA, discovered by a missionary while traveling in Arabia.
All who are suffering from Sore Throat, Coughs, and Colds, should use the MAKORA ARABICA, discovered by a missionary while traveling in Arabia.
All who are suffering from Asthma, Scrophulous, and Impurities of the Blood, should use the MAKORA ARABICA, discovered by a missionary while traveling in Arabia.
It cures Consumption.
It cures Bronchitis.
It cures Sore Throat, Coughs and Colds.
It cures Asthma, Scrophulous, and impurities of the blood.

This unequalled remedy is now for the first time introduced to the public.
It was providentially discovered by a missionary while traveling in Arabia. He was cured of Consumption by its use, after his case was pronounced hopeless by learned physicians in Europe.
He has forwarded to us, in writing, a full account of his own extraordinary cure, and of a number of other cures which have come under his observation, and also a full account of the medicine.

At his request, and impelled by a desire to extend a knowledge of this remedy to the public, we have had his communication printed in pamphlet form for free distribution. Its interest is enhanced by an account which he gives of some of the scenes of the Syrian massacres, which he obtained from those who were sufferers in that awful tragedy. This pamphlet may be obtained at our office, or it will be sent free by mail to all who apply for it.

We import the MAKORA ARABICA direct from Smyrna, through the house of Cleon & Gyllippos, and we have always on hand a full supply put up in bottles, ready for use, with full directions.

Price one dollar per bottle. Sent by mail, on receipt of price and 24 cents for postage.

Ayer's Sarsaparilla

A compound remedy, in which we have labored to produce the most effective alternative that can be made.

It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to the large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS, Eruptions and Eruptive Diseases, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSENTERY AND INDURITION, ERYSIPELAS, ROSE ON ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many ranking disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruption, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when.

Even where no particular disorder is felt, people enjoy better health, and live longer for cleansing the blood. Keep the blood healthy, and all is well; but with this purgative of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever.

Disappointment and painful disfigurement has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure.

In order to secure their complete eradication from the system, therewith should be judiciously taken according to directions on the bottle.

CHILDREN TEETHING.

MRS. WINSLOW'S SOOTHING SYRUP, FOR CHILDREN TEETHING.

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation, and will allay ALL PAIN and spasmodic action, and is sure to regulate the Bowels, and soothe the mother, it will give rest to yourselves and benefit and Health to your Infants.

We have just put up and sold this article for over ten years, and can say, in confidence and truth, of it, what we have never been able to say of any other medicine—never has it failed in a single instance to effect a cure, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of the highest commendation of its magical effects and medicinal virtues.

We speak in this matter "what we do know" after ten years' experience, and pledge our reputation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the Syrup is administered.

This valuable preparation is the prescription of one of the most experienced and SKILLFUL NURSES in New England, and has been used with NEVER-FAILING SUCCESS in

THOUSANDS OF CASES. It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve Griping in the Bowels and Wind Colic, and overcome convulsions, which, if not speedily remedied, end in death.

We believe it the BEST AND SUREST REMEDY for the world in ALL CASES OF DYSENTERY AND DIARRHOGA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudice, nor the prejudice of others, stand between your suffering child and the relief that will be SURE, yes, ABSOLUTELY SURE, to follow this medicine, if timely used.
